EMPLOYEE HANDBOOK

For W-2 employees · October 2026

Welcome to Lion Security. This covers what we need from you, how pay and time work, and what we expect on post.

BEFORE YOUR FIRST SHIFT

- Finish your onboarding link: Form W-4, Form I-9 Section 1, guard license, ID photos and how you want to be paid.
- Bring your original Form I-9 documents on your first day. A manager has to see them in person within 3 business days.
- Hold a current Washington security guard license. We add you to our company license with the Department of Licensing.

YOUR EMPLOYMENT

- You are a W-2 employee of Lion Security Services, LLC. Federal income tax, Social Security and Medicare are withheld from your pay, along with Washington's Paid Family and Medical Leave and WA Cares premiums.
- Employment in Washington is at-will: you or the company can end it at any time, with or without notice.
- This handbook explains how things work. It is not a contract, and the company may update it.

PAY AND TIME

- You are paid every two weeks by direct deposit or paper check, with a pay stub showing hours, pay and deductions.
- Record your start and end times accurately for every shift, including any time you stay past the scheduled end.
- Hours over 40 in a workweek are paid at 1.5 times your regular rate.
- Tell a manager right away if a paycheck looks wrong. We fix mistakes on the next payday or sooner.

BREAKS AND SICK LEAVE

- You get a paid 10-minute rest break for every 4 hours worked.
- On shifts longer than 5 hours you get a 30-minute meal period. If you're required to stay at your post during it, the time is paid.
- You earn at least 1 hour of paid sick leave for every 40 hours worked, usable starting on your 90th day. Up to 40 unused hours carry over to the next year.

SAFETY, LICENSE AND UNIFORM

- Report any injury on the job immediately, even a minor one. Workers' compensation coverage is through Washington L&I.
- Tell us right away if your guard license lapses or anything affects your ability to hold it.
- Your uniform shirt belongs to the company. Return it when you leave.
- Can't make a confirmed shift? Call or text 253-251-4551 as early as possible so the post is covered.

ON THE JOB

- Arrive in a complete, clean uniform at least 10 minutes before your shift starts. Carry your guard license card while on duty.
- Follow the post orders for each site. If anything is unclear, ask your point of contact before acting.
- You are unarmed. Observe, deter and report. Never act as law enforcement. Call 911 for emergencies, then notify the client and the company.
- No personal phone use on post except for emergencies or company business.
- Write an incident report the same day for any incident, injury, dispute or unusual event.
- Treat clients, visitors and coworkers with respect. Clients judge the company by you.

You acknowledge this handbook when you complete your onboarding link. Questions? Call or text **253-251-4551** or email **contact@lionofseattle.com**.
