

Welcome to the Lion of Seattle team. This sheet covers what to submit and what to expect as an independent contractor.

REQUIRED PAPERWORK (BEFORE YOUR FIRST SHIFT)

- Signed W-9 (blank copy included in this packet) — needed before any payment can be issued.
- Completed Direct Deposit Authorization form, with a voided check or bank letter attached.
- Copy of your Washington unarmed private security guard license, current and unexpired.
- A government-issued photo ID for verification at onboarding.

INDEPENDENT CONTRACTOR STATUS

- You are engaged as a 1099 independent contractor, not an employee of Lion of Seattle.
- You are responsible for your own income tax and self-employment tax on all payments received.
- You set your own manner of performing assigned duties within the scope of each post order.
- Lion of Seattle does not withhold taxes or provide employee benefits on contractor payments.

ON-THE-JOB EXPECTATIONS

- Arrive in complete, clean uniform at least 10 minutes before your scheduled shift start.
- Follow the post orders provided for each assignment; ask your point of contact if anything is unclear.
- Remain unarmed and act only in an observation, deterrence, and reporting capacity — never as law enforcement.
- Submit a written incident report within 24 hours of any incident, injury, or unusual occurrence.
- Represent Lion of Seattle professionally at all times — clients are evaluating the company through you.
- Report scheduling conflicts or inability to work a confirmed shift as early as possible.

PAYMENT

- Payment is issued according to the rate and terms agreed for each assignment.
- Direct deposit is the standard payment method once your authorization form is on file.
- A 1099-NEC will be issued for total payments of \$600 or more in a calendar year.
